

## Residential Maintenance Program

**What** Comprehensive maintenance and inspection program designed to optimize the performance of your heating and cooling system. Program includes one annual visit for your heating and cooling equipment.

**Benefits**

- Lower operating cost by maintaining peak efficiency
- Extended equipment life
- Ensure your family's safety by inspecting safety controls and heat exchangers
- Maintain manufacturer warranty coverage
- Minimize breakdowns by early identification of problems
- Lower repair cost with "Preferred Pricing"
- Priority service

**Renewal** This program is a one year program that will automatically renew each year unless cancelled in writing 30 days before the renewal date.

**Scheduling** Maintenance will normally be scheduled from spring through early fall to have your system ready to operate before the heating or cooling season arrives.
